

The Ointment Maker

Herbs

Angled hands, left above right, make horizontal anti clockwise circles

+

From little finger rub thumb along finger tips

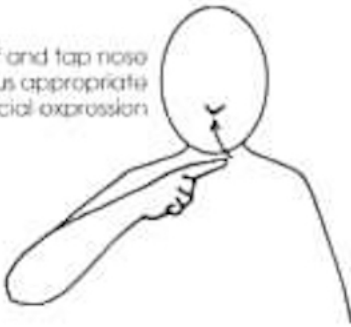

+

Rub thumb across fingertips as if sprinkling herbs over food

Spices

Sniff and tap nose once plus appropriate facial expression

+

Mime sprinkling into cupped palm

Make

Mime moulding clay, plasticine etc

Medicine

Stir medicine: little finger makes circular movement just inside the top of non-dominant fist

+
